MORIARTY SCHOOL NEWS

The Christmas spirit was very much in evidence in the school all last week. Each teacher had their room decorated with a well trimmed Christmas tree and other decorations.

Mrs. Willmott presented a picture of President Harding to her room as a Christmas present.

At 10 A. M. Friday Elsie Tillery, president of the Student Council, called a meeting of the students both high and junior high, asking the teachers to be present. Mr. Gardner expressed the students' appreciation for the teachers' interest and help. Each class then presented its sponsor with a nice Christmas present. Mr. Spillars then complimented the high and junior high school for the excellent work they have done during the term, also for their excellent school spirit.

A good crowd was out Friday afternoon for the Christmas program. Each room contributed some numbers and made up a good program. The auditorium was decorated with holly, mistletoe evergreens and a Christmas tree.

Among our visitors for the week were the Misses Stewart who are at home for the Christmas vacation. They are teaching in Duran this year.

PUBLIC LIBRARY

Beginning in February the public library will have a paid librarian. This has long been needed, but on account of other expenses it was thought best not to use funds for that purpose.

The original debt of two thousand dollars has now been reduced to nine hundred, and something like five hundred dollars expended for books, repairs, insurance and interest.

The books in the library are being invoiced and recataloged and we are very anxious that every book be on the shelves this week.

The entertainment to be given by Miss Marceline Armstrong and Miss Frances Crowl on Friday evening at 8 o'clock at the Methodist church is for the benefit of the library. Admission will be 35c for adults and 20c for children. We hope the patrons of the library and every one else who enjoys good readings and music will patronize this entertainment which promises to be equal to any of our lyceum numbers.—Library Committee.

CLEVENGER CASE IS DISMISSED

The case of J. R. Clevenger, Santa Fe engineer, charged with a statutory offense and found guilty last June, and remanded for new trial, has been dismissed by District Attorney Armijo. The ground for dismissal was the supreme court's statement that at the first trial there was not sufficient evidence to convict. The district attorney said he had no more evidence to offer.—Albuquerque Journal.

ABOUT HOUSE MOVING

Notice is hereby given that parties wishing to move houses along or across any public highway in Torrance county must first obtain a written permit from the board of county commissioners, by the commissioner in the district in which the house is to be moved. If the house is to be moved under a telephone line the Telephone Company is to be notified sufficiently in advance that they can have a man on the grounds to look after their property.

This is law and must be strictly adhered to.

Chairman Board of County Commissioners.

M. E. CHURCH NEWS

The Christmas program given on Christmas Eve at the M. E. church was largely attended. A generous offering was given for the needy children of the world.

On Sunday evening Rev. A. B. Weaver gave an interesting report of the great Denver convention of the Methodist church. He explained that the M. E. church has planned to enlarge their Centenary program, emphasize stewardship, and life service.

Sunday afternoon a large congregation gathered for Christmas service at the McIntosh school house. Preaching services are held at this place each fourth Sunday by E. N. McBride.

It is beautiful to see the fine Christmas spirit expressed in different ways. In a very little while sufficient money for Christmas treat was solicited by a few little girls. The next day two men asked to be allowed to add a dollar to this. Another expresses the same love of children and reverence for the Christ child by each year providing the Christmas tree.

On Tuesday afternoon the Ladies' Aid Society met at the home of Rev. and Mrs. R. E. Farley. A most delightful time was spent at this beautiful place of open fireplaces and open hearts and overflowing well and overflowing kindly hospitality.

AN ENJOYABLE CHRISTMAS DINNER

One of the most enjoyable celebrations of the season was the dinner given by Mr. and Mrs. L. O. Bachmann at their ranch in Tajique canyon on Christmas day.

The house was beautifully and appropriately decorated and the dinner was one long to be remembered by those present.

Music was rendered in the afternoon by Mr. Dow and Mr. Waggener.

Those present were: Mr. and Mrs. Wm. Dow and daughter Miss Elsie, Mr. and Mrs. J. L. Smith and children Curtis, Willis, Veda and Geraldine, Mrs. J. S. Clack and daughter Miss Jane, Mr. and Mrs. Airhart, Mr. Archie Rea, Mr. Whitman and Mr. Waggener.

FAIRVIEW

Special Correspondence.

The teacher and pupils entertained the friends and patrons of Fairview community last Friday afternoon with an interesting program, after which old Santa Claus made his appearance. Every child enjoyed a well filled bag and baskets of refreshments were passed to the grown-ups. Both the tree and program was a success and we returned home feeling disposed to encourage programs and that our efforts put forth at the pie supper about two weeks ago were not in vain. Patrons, let us get together oftener, boost and make our schools better as time rolls by.

The Woman's Bible Class met last Wednesday for its regular study at Mrs. Frank Block's. After the lesson the women made the school curtains for the teacher and pupils to use in their program. The next meeting will be at Mrs. Van Lane's January 4th, the lesson being "Notable Women of the Bible."

Let everyone remember Sunday school and preaching at the school house every Sunday morning at 10 o'clock. Come and bring friends with you. The spiritual part of man should not be neglected. A week ago Sunday Bro. Waggener delivered an excellent discourse on "Our Obligations to God." At 3 P. M. Bro. McBride discoursed on "The Marks of a Christian." Both were enjoyed and had the whole community been present it would have been greatly benefited.

We welcome Mr. and Mrs. Nixon and family of Willis Point, Texas, who have come into our community. They will farm the Swartz ranch the coming year. We wish you a prosperous year and that you will not regret your move in our midst.

ENCINO

From the Enterprise.
Geo. X. Frey, who has been visiting in Oklahoma, arrived Saturday for a visit with his father-in-law, A. R. Cecil, Mr. Frey now lives in Albuquerque and is engaged in the garage business.

Toney McGee of Hollis, Oklahoma, filed on a homestead south of town last Friday. Hollis, Oklahoma has sent many farmers here.

E. E. Russell of Dallas, Texas, located a homestead here last Saturday. He did his best to get into the Carnero community, and did get in the northeast of it.

N. A. Holder returned from a visit in North Carolina last Saturday. His family came with him. He has three boys and one little girl. When asked how Mrs. Holder liked her new home Sam replied, "I haven't heard any complaints."

Last Saturday the directors of the Encino State Bank held a meeting in the directors' room. From the reports we received they are very optimistic regarding the future of Encino and the banking business here.

R. F. Brown reports that he has purchased the building now occupied by the Encino Garage. The price paid, or the contemplated changes, if any, have not been made public. Roy will likely let the public in on his secret soon. This is another evidence of a strong faith in Encino. Roy has made his home here for years and is one of the old-timers making more investments, especially where the investment money was made at Encino.

G. C. Hinton left Sunday night for a visit at his former home at Midlothian, Texas. He expects to attend some business matters and visit with his children there, and will likely return before Christmas.

F. H. Wood of Duran was over last Saturday attending the directors' meeting of the Encino State Bank.

MULES! MULES! MULES! Real Mules!

I have 12 spans of real Missouri mules, weighing 2300 to 2800 lbs. These mules are all broke and ready to work. They were bought right and are priced right. So if you want a real team it will pay you to look this bunch over. They can be seen at the Swartz ranch 12 1/2 miles southwest of town.

MOUNTAINAIR

Special Correspondence.

On Friday afternoon, December 9, 1921, the Sectional meeting of the Torrance County Teachers' Association for this corner of the county was held at Mountainair.

Fifteen teachers, not including those of the Mountainair school belong in this section—but on account of bad weather not all were present. One teacher showed the true school spirit by driving from Abo.

Mrs. Parrett met with the teachers and gave some very helpful suggestions and as always showed her personal interest in each teacher and her problems.

Following is the program:
Music—High School.
Purpose of meeting—Mrs. Parrett.

Echoes from N. M. E. A.—Mr. Jackson, Miss Hoyland, Miss Rogers.

Warm Lunches in Rural Schools.—Mrs. Middleton.

What is Expected of Pupils in English Entering High School.—Miss Brittain.

Athletics in Rural Schools.—Mr. Patterson.

Mrs. Ida J. Salen is improving her home northwest of the Willard Mercantile Co. store. Word was received here Saturday of the death of Mrs. E. E. Flickenger at the home of her mother in Kansas. Mrs. Flickenger and the boys were at her bedside before the end.

William D. Ingle has purchased from Mrs. Fannie L. Williams a quarter section of land north of Mountainair, through R. L. Shaw & Co.

C. C. Thomson and family came in Monday morning from Los Angeles. They had visited here a few weeks ago, and started to Oregon, but upon reaching the coast decided that Mountainair was good enough and came back.

A force of carpenters are now putting the roof on the new Independent building and with a few days of fair weather, it will be sufficiently enclosed that we can move in.
